

Celebrating Vision at Arbor Centers For EyeCare.

We look forward to seeing you at your upcoming appointment to evaluate your eyes and discuss treatment options.

Your appointment will take about 2 hours and will include the following:

- **Please make sure your contacts are removed before the appointment.** This insures that we will get the most accurate results and measurements from the tests we will take during the evaluation process.
  - If you wear soft contacts, please take them out ONE week prior to your appointment.
  - If you wear hard lenses please take them out TWO weeks prior to your appointment.
- Your eyes will be dilated using eye drops, causing blurry vision and glare for 2 – 6 hours. Please bring a driver.
- Measurements of your eyes will be taken
- Current technology and treatment options will be explained in detail
- After your exam the doctor will discuss your individual treatment options

Please arrive 15 minutes early and bring all completed paperwork, your I.D., insurance card(s) and any co-pay.

- **Ocular and Medical History**
- **Quality of Life Vision Assessment**
- **Referral Sheet (if needed)**

Please visit our website: [www.arboreyecare.com](http://www.arboreyecare.com)

Go to the RESOURCES page then scroll down to Cataracts and visit some or all of the links. You can also look through the FOCUS magazine for information on some of the new technology available to cataract patients.

We look forward to meeting you and working together to improve the way you see the important and beautiful things in your world.

Thank you for putting your trust in us. Arbor Centers For EyeCare
