

## Frequently Asked Questions (FAQ)

### Blind Sailing Worlds and International Championship

Chicago Yacht Club-Belmont Station September 8-13, 2015

#### **When is the event?**

- September 8 – 13, 2015

#### **Where is the event?**

- Chicago Yacht Club

#### **What is the event?**

- Biennially, the International Federation of Disabled Sailing (“IFDS”) stages a Blind Sailing World Championship (the “Blind Worlds”). The Blind Worlds brings together the most talented sight-impaired sailors from around the world.

#### **What is the history of the event?**

- This year’s event is the 10<sup>th</sup> world championship in the past 23 years. Blind sailing has been an internationally recognized event since 1993. Prior venues included: Auckland, New Zealand; Fremantle, Australia; Newport, Rhode Island; and Miura, Japan.

#### **What does the racing entail?**

- Participating countries field 3 boats, one in each classification of blindness as determined by the IFDS: Blind 1, being the highest level of impairment; Blind 2 and Blind 3. The visually impaired crews compete with two sighted crew members who may not helm. The scores from each country are combined to reach a team score, the winner of which will earn The Squadron Cup recognizing the country with the strongest combined performance.

#### **What type of boats will they sail?**

- Competitors will race in two different types of small keelboats: “Sonars” and Tom 28s.
